Dear Member,

We are writing this letter to reveal exciting news! Over the past year, we have been working on a major project to merge GWC Federal Credit Union with Morton Salt Credit Union. As this project reaches its finish line, this is how it will affect you as a member. By joining our credit unions together, we are able to reduce overall costs, add products and services, and provide you with an additional full-service location.

Our name will continue to be Greater Wayne Community Federal Credit Union. Our management team and staff will remain the same, with the exception of a few additions. The account numbers or account information of GWC members will not change. Be assured, we are working very hard to make this process as seamless as possible for our members.

Here is a list of important dates that you should know.

March 31st: Our office will be closing at noon to complete the back-office portion of the merger. The branch will re-open April 1st at normal business hours.

April 1st: Morton Salt Credit Union will officially be merging into Greater Wayne Community Federal Credit Union. Members of either credit union will be able to visit either current branch location to access their money or account information.

Coming Soon: Though we do not have an official date, we would also like to announce that GWC will be opening a branch in Doylestown, OH. Keep an eye out for more information regarding the opening of our new branch.

Greater Wayne Community FCU strives to make our member's experience the best it can be. More information regarding the merger and possible changes can be found on our website at gwfcu.com. Thank you for your continued membership and loyalty to GWC.

Best Regards,

Mat Stuart

Greater Wayne Community Federal Credit Union
